GUIDELINES FOR TEACHERS AND PARENTS

Many pupils from overseas backgrounds will have the opportunity to visit their family's home country e.g. India, Hong Kong, Pakistan several times during their school career. These visits promote a sense of identity and have impact on pupil's self esteem. Pupils are officially allowed (2 weeks) holiday during term time and the distance learning pack provides literacy material for this period of time suitable for Key Stage 2 pupils. The following guidelines enable pupils and parents to take advantage of the educational opportunities such trips provide, and help teachers to integrate the pupil's experience into the classroom curriculum.

Before the Visit

1. Establish length of visit
2. Ensure that you have obtained official permission to take you child out of school for the 2 week period. Failure to do this could mean you child not being readmitted on to the school roll. Please note for periods of over 2 weeks your child will be taken off roll and may not receive a place in school on their return
3. Ensure that your child has access to appropriate stationery
4. Parent/Teacher/Pupil consult about the agreed work expectations
5. Teacher/Pupil to discuss work book together

Ideas for Activities

1. Keep a scrapbook with tickets receipts newspaper cuttings, etc ...
2. Keep a diary of the visit
3. Borrow a suitable reading book/s from school to take with you
