

EAL Quality Assurance Award

The Hounslow Language Service EAL Quality Assurance Award is given based on key areas that are essential for excellence in the teaching and learning of EAL pupils in the classroom and best practice in whole school provision.

There are 4 levels :

Bronze

Silver

Gold

Platinum

Each of these levels indicates where a school is at in terms of the above areas based on an initial self evaluation and an all day audit. **The audit involves:**

observation of teaching and learning resources

EAL expertise and provision

school's EAL policy

discussions with the EAL lead and senior management

Other additional areas as required

The aim is to help school identify their strengths so that they can build on them and areas for development so that they can strengthen their classroom EAL pedagogy across subject areas and whole school EAL provision.

HLS will also advise and aid school in creating an action plan for best whole school approach that raises the achievement of all their EAL pupils that will also have a positive impact on the rest of the school.
