

EAL Assessment, Target Setting and Tracking Progress for EAL Pupils

Hounslow Language Service Ltd

Thursday 5th February 2026
Afternoon – 1.00-3.00pm
Online Live Webinar

This session will focus on EAL assessment and on planning provision to meet the specific needs of EAL pupils. We will share our updated EAL descriptors which have been aligned to the official guidance from the DfE.

Participants will have the opportunity to work with an updated EAL framework to reflect the recent changes in Assessment. We will consider how we can use the information gained to set targets and plan effectively.

There will also be a focus on the distinction between EAL and SEN needs, as well as recognising early Gifted & Talented indicators.

This course is suitable for all staff working from KS1-KS4.
